MORBIDITY AND MORTALITY WEEKLY REPORT

Index: Volume 38, 1989

Recommendations and Reports and supplements, *Surveillance Summaries*, and weekly issues of the *MMWR* are included in this index. *MMWR* publications other than the weekly issues that are considered part of Volume 38 are listed on the next page. In this index, numbers in parentheses indicate addenda, errata, or clarifications. Numbers in *italics* indicate *Recommendations and Reports* and supplements and *Surveillance Summaries*.
